As a mature member of the Church, you likely have experience serving, teaching, and leading others and working to accomplish the Church's divinely appointed responsibilities of living the gospel of Jesus Christ, caring for those in need, inviting all to receive the gospel, and uniting families for eternity. You now have the opportunity to build on that experience as a senior missionary.

When reviewing the following service options, remember that "all things unto [the Lord] are spiritual" (Doctrine and Covenants 29:34). Regardless of your specific assignment, as a missionary you will be called to represent the Lord and His Church.

## Follow the prompt

Select the link "Missionary Recommendation System" in the prompt.

You will then be taken here. Make sure that you select, and follow, the prompts for each of the sections in the left-hand margin, then acknowledge and select the "Let's Go!" button.

## Complete the recommend form

When you fill out each section of the form, the corresponding indicators will turn green like the graphic below. Only then will you be allowed to select the “Submit Recommend” and send your application to the Bishop and Stake President for their review.

The screenshot shows the 'Missionary Recommendation System' interface. On the left, under 'Service Missionary', there is a list of steps: Welcome and Introduction, Personal Information, Address, Education and Experience, Timing and Preferences, Health History, General Disclosure Agreement, and Submit Recommendation. The first six steps are marked with green checkmarks and are enclosed in a red box. On the right, the 'Recommendation Submission' section contains instructions and a 'Submit Recommend' button, which is circled in red. A red arrow points from the 'Submit Recommend' button to the red box containing the first six steps.

After submitting the recommendation, it may take a few minutes to generate the “Congratulations!” message informing you that the recommendation has successfully been submitted to your priesthood leader for review.

### Congratulations!

Your senior service recommendation forms have been submitted to your priesthood leader. Thank you for your willingness to serve the Lord.

Your priesthood leader may meet with you to review your recommendation, if he has questions. Upon your priesthood leader approval, he will submit your recommendation to Church headquarters, where it will go through a review process with the appropriate department/organization for your requested opportunity. An operation manager may reach out to you to discuss your match to the selected opportunity.

When your opportunity request has been approved, you will receive your call letter, which will provide information about when you will begin serving in the respective opportunity, how long you are scheduled to serve there, and any other relevant information.

Please be patient with the processing. It may be a while to hear back from your priesthood leader, but don't be shy. After a week or so, check with your Bishop to see if he has received an email notification to interview and approve you to be a senior service missionary. Once approved by the bishop, it will go to the stake president for approval.
